Total Change in Scores

Bars show how each theme's average score changed from 2022 to 2025. Yellow indicates an increase, gray indicates a decrease, and the 'Total' bar represents the net change across all themes. Some decreases occur because certain theme fields were not collected (not required) in 2025, resulting in lower or negative differences.

User			pay employees more	I think it's done
User	You make me able to do karate in a nice environment	everything there is great	To my knowledge nothing, I only go to the rec center for karate	Nothing
User	You have access to many available exercise resources.		nothing	none
User	wonderful and ample facilities.		later evenings! i prefer working out late at night	hard for me to c
User	women's only workout rooms			
User	With these environments being equal, safe, and inclusive it allows for students to have a place to be social and active. They are able to find stress free events after classes and even helps get them out of their dorms.	n/a	I think it would be really cool to have a tour. Where people who aren't used to the gym or sports related activity have a chance to talk to someone who works at the rec center and go on a tour to see amenities that are offered through the RecWell. Commonly, on the Campus tour students are told about the rec center, but aren't actually shown it unless they are an athlete or apart of that group.	Students apart c Giving them an
